ABOUT THE GRAPE STOMP

As the name says, this is a competitive grape stomp! We will have two vats of freshly picked grapes, and teams of four will compete to produce the most juice with their bare feet. Like in the old days, each contestant (one at a time) will remove their shoes and socks and stomp the grapes to produce the juice. There will be a foot washing station to use at the completion.

HOW IT WORKS

Teams of four contestants will compete against other teams. Each team will have 10 minutes to stomp grapes to produce the most juice. Team contestants will climb into their vat and begin crushing, with only (1) contestant allowed in the vat at any given time. The team will then alternate contestants during the allotted 10 minutes. The team contestants not in the vat will collect the juice for measurement. After all the teams have competed, the team that produces the most juice will be declared the winner. The overall winning team will be awarded a check for \$500 to be distributed to the non-profit organization of their choice. Other teams will be eligible for prizes based on enthusiasm, crowd pleaser, etc. In addition, the team that has the most supporters in attendance (paid event ticket) will be eligible for an additional \$150 prize to the non-profit of their choice.

HOW TO REGISTER:

- Step 1: Organize a team of four (each team must have a team captain), and determine the non-profit you will be supporting.
- Step 2: Complete the team registration form and submit it along with the \$150 Team Registration Fee as soon as possible. Remember, the event takes place on October 9th and stomp times will be filled on a first come, first serve basis—so the sooner you submit your team form and fee, the sooner you can secure a time to participate!
- Step 3: Start notifying your contacts to come and support your team at the event!

ADDITIONAL INFORMATION

Each team, along with the non-profit they are supporting, will be listed on the event webpage. Each team member will receive an official Grape Stomp t-shirt and will be given a ticket for (2) free drink tickets.
